

Cogra Moss Conditions of Permit

1. NO FISH TO BE SOLD.

2. Fly fishing only, i.e. fly rod, fly reel, and artificial barbless fly. All other methods including bubble float, spinning or the use of live or dead bait of any kind are strictly prohibited. Use of treble hooks, fly spoons or barbed hooks is also forbidden. Crimped barbs are allowed.

3. Anglers fishing on the complimentary sporting permit issued to River Derwent / Cocker rod holders, are allowed to take two sizeable trout per day and no more than 20 trout per season, i.e. trout over 10" measured from tip of snout to fork of tail. Catch and Release is permitted on the following basis only. Anglers may not catch more than 8 fish on any single day, fishing must cease immediately that either the angler has caught and released 8 fish on any day, or as soon as the second fish has been killed. All coarse fish must be killed.

4. Fishing may commence at 8am, no one shall enter the property before 7.45am. Fishing must cease at sunset.

5. No person is allowed to fish without having first obtained a permit and paid the appropriate fee. The association reserves the right to withdraw or refuse to issue any permit.

6. The appropriate Environment Agency licence must be held.

7. Boats or Float Tubes are not allowed.

8. No dogs allowed with anglers.

9. Thigh or knee waders preferred, but chest waders are allowed but wading no deeper than thigh wader depth.

10. No firearms or radios and camping is not allowed. No fires to be lit.

11. No Keep nets. (Landing nets must not be used to keep live fish in)

12. It is the duty of all permit holders to notify the secretary of any rule infringements. We must and we will act on any information we receive regarding the mis-use of the Association's property. Remember it is in your interests to help with the policing of this unique still water fishery.

13. Permits must be carried at all times and produced on request.

14. Catch returns must be posted in the returns box for each visit, this includes "nil" returns.
